More than 32 camps

With over 32 well located campsites throughout our hunting territory, we monitor the migration year after year. Only eight to twelve sites are used at any given time. In this way, Safari Nordik can offer hunter's greater mobility and a wider selection of camps than any other outfitter in the region. This is how we can back our hunts with the best Guarantee in the industry. We're not selling a stay in a camp we sell you the ultimate hunting adventure.

Season

Safari Nordik Caribou hunting season runs from **AUG 15, TO OCT 10th** with departures every single day during this time. This better provides you with the convenience of planning your own hunt.

Rifle, Bow or Muzzleloader
Whatever date you choose, you can use Rifle, Bow or Muzzleloader. Or, use a different weapon for each caribou.

The Leaf River + The George River Herds

For over twenty five years Safari Nordik has provided hunters with the best access to North America's most substantial caribou herds; the Leaf and George River herds. The Leaf River herd, with a population in excess of 900,000 and 450,000 for the George River herd, offer big game hunters a once in a lifetime experience. Seasoned hunters from around the world have come here seeking this majestic trophy, but few have afforded themselves the Luxury and Joy of hunting with Safari Nordik.
